Ecclesiastical Background:

- **New LIFE Fellowship**, Johns, SC (from March 2015 to Present - church planting attempt [<http://NLFJI.org>])
(We moved to Charleston, SC around September, 2011 – seeking God for the next step in Pastoral Ministry while paying the mortgage)
- **New LIFE Fellowship**, DELTA, CO (from March, 7th, 2010 to August 2011 - church planting venture [<http://www.newlifefellowship.us>])
(we had a core team and we were meeting regularly, but eventually I ran out of money and needed to find a **“real job”**, again – moved to Charleston, SC)
- **Calvary Baptist Church**, DELTA, CO (2007 - 2010 [<http://www.cbdelta.com>])
- **Heber Springs Christian Church**, Heber Springs, AR (I did not know what “Christian Church” meant until I was there for a while)
- **First Baptist Church, *Life Fellowship***, Temecula, CA (middle of 2003 to 2005)
- **LIFE Church**, Temecula, CA (www.getlife.tv - C&MA) (2002 through middle of 2003)
- **Discovery Church**, Murrieta, CA (www.discoverychurch.ws - SBC) (2001 - 2002)
- **Church Planting Attempt** (1995 - 2000)
Attempted to plant a church from scratch. Eventually after 3 years we were able to form a Church Planting Team. After 2 years into that Team, certain factors lead to the disbanding of this attempt. We tried 2 more times to develop a team but did not have much success. We attempted all of this without any outside denominational and/or ecclesiastical help.
- **Bellflower Baptist (CBA)**, Bellflower, CA (1990 - 1995) (<http://www.angelfire.com/ok/newjoychurch>)
Bellflower Baptist, changed its name to New Joy Christian Fellowship, and then eventually to its current name of New Joy Community Church

- **Nazarene Church** (Grew up in this denomination)

Received Christ during this time at home, in my bedroom **after a dream** (October 1981)
